

## Acknowledgments

**The Sevier County Commission acknowledges the exceptional service given by members of the Sevier County Planning Commission who chaired the eight Citizen Committees that addressed the elements, assembled information, and issued recommendations that undergird the land use policies contained in this Plan.**

**The Sevier County Commission appreciated the support and technical assistance offered by the Governor's Office of Planning and Budget. Matching funds were provided under a planning grant approved by the 95<sup>th</sup> Utah Legislature and are administered by the Local Governments Comprehensive Planning Project Steering Committee. This assistance was vital in completing this General Plan**

**Consistent with statutory guidelines, the Planning Commission prepared and recommended adoption of this General Plan.**

**Technical assistance, consultation, and guidance was provided by the Rocky Mountain Institute of Public Affairs.**

**The County Commission deeply appreciates the considerable interest, time, and effort of many elected and appointed officials and citizens in Sevier County who contributed to this General Plan.**

**Because of their collective and individual service, this document represents, in the fullest measure, the citizen's Plan for the future of Sevier County.**
